

Implant & Restorative Complications & Considerations

Presented by Dr. LaDerrick Bullock

Hosted by Hartman Oral & Maxillofacial Surgery

Thursday, September 29, 2022 • 3 CE Credit Hours

COURSE DESCRIPTION

This course is designed to review basic concepts of prosthetics as it relates to implant dentistry. The discussion will include the review of prosthetics and scientific rationale for those decisions. The course will also review complications (routine or not) and how to best manage situations when they arise.

Dr. LaDerrick Bullock

Dr. Bullock graduated from North Carolina Central University with a Bachelor of Science Degree in 1997. Dr. Bullock then matriculated to the University of Medicine and Dentistry of New Jersey - New Jersey Dental School where he earned his Doctor of Dental Medicine Degree. After graduation Dr. Bullock completed four additional years of advanced training at Montefiore Medical Center/Albert Einstein College of Medicine New York City, earning a certificate in Prosthodontics. Dr. Bullock is recognized as a specialist in the restoration of teeth by the American Dental Association and the New Jersey Dental Association. Patients feel comfortable trusting their care to Dr. Bullock because he is caring, compassionate and has extensive experience in implants, crowns, bridges, veneers, dentures and partials. He has helped many patients with problems ranging from simple to complex. Dr. Bullock practiced in Cherry Hill, NJ before starting the South Jersey Center for Advanced Dentistry.
